

# Using Baker & Taylor Title Source 360 with grid templates

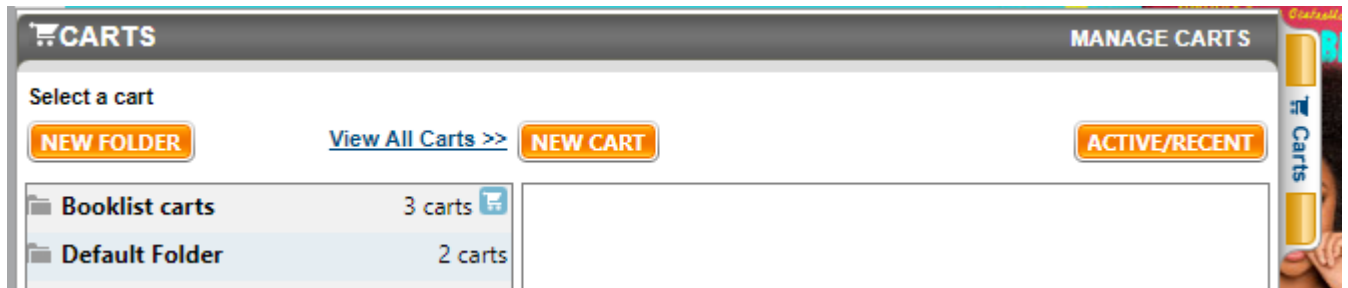

<https://ts360.baker-taylor.com>

Please use Google Chrome as your browser, per B&T instructions

## Creating a cart

Open the carts drawer at the left of the screen, just beneath the Home tab.

Click the New cart button at the top center of the pop-up box.

In the Create new cart box, type in your cart name;

Click Set as primary.

Make sure your Book account is correct.

Click the Grid template radio button to make sure your library's location appears. (This will allow you to add gridlines easily.)

Click the Create cart button.

A screenshot of the 'Create New Cart' form. The title bar reads 'Create New Cart' with a close button. Below the title bar, there is a legend: '\* indicates required field'. The form contains the following fields: 'Cart Name:' with the value 'Chris' trial cart' and a 'Set as Primary:' checkbox checked; 'P.O. #:' with an empty text box; 'Choose Folder:' with a dropdown menu showing 'Default Folder' and a 'NEW FOLDER' button; 'Book Account:' with a dropdown menu showing 'CLYMER'; 'Entertainment Account:' with a dropdown menu showing '75005418 - CHAUTAUQUA CATTARAUGUS'; 'Cart Default Grid Distribution' section with a question mark icon and four radio button options: 'Use My Default Quantity - (currently - 0)', 'Use Zero Quantity - (title only)', 'Grid Template' (selected) with a dropdown menu showing 'CLYMER', and 'Grid Distribution'. At the bottom, there are two buttons: 'CREATE CART' and 'CANCEL'.

## Searching and adding items to a cart

There are three main search methods:

1. You can use B&T-generated lists under the Browse tab to choose titles.
2. You can search by ISBN, title or keywords in the search box at upper left of any screen.
3. Click Advanced search link at the top of the screen. The search screen will display.

Enter your search criteria and click "Search" button.

View title info and reviews by clicking title links.

Click the orange "ADD" button to add the displayed title to your primary cart. If the Add button is not visible on your screen, cut and paste the ISBN into the Product search box at the top left of the page.

## Checking for duplicate orders

Click the "C" and "O" icons from each title record for a list of duplicate orders from B&T.

"C" means it exists in a cart already;

"O" means it has been ordered by a CCLS library. Open the link to see which libraries did.

## Adding gridlines to your cart

There are two main gridline methods. If your grid templates are correctly set, you can add any item displayed on-screen to your primary cart by clicking the "ADD" button.

1. If you have only 1 fund code:

If you chose a Grid template when you created your cart, each title will be added to your cart with its template already in place.

2. If you have more than 1 fund code, add templates as you add titles:

At the title details page, click Grid at the middle left of the entry.

From the Add gridlines menu, choose Paste default grid. Your grid codes will appear in the box below.

Check the boxes at the left of the gridlines you do not want to use, leaving only the desired grid.

From the Grid actions menu, choose Delete.

Click the "ADD" button.

**Note:** If all of your titles will use the same grid line, you can simplify subsequent additions.

Click the box at the left of the already-added entry.

From the Grid actions menu, choose Save as default grid distribution, and then Confirm.

All new additions can now be added with your selected grid line.

3. If you didn't follow the directions above for creating your cart, add gridlines individually:

At the Item details page, click Grid at the middle left of the entry. A box like this one will appear:

You will need to fill in each field: quantity, member library, holding code, fund code and material type.

Click the “+” Add button in the box;

Click the orange Add button at the middle right of your screen.

Your gridline has been added.

Carts with gridlines added correctly will look like this:

<input type="checkbox"/>	TITLE ▲	AUTHOR / ARTIST	ISBN/UPC	FORMAT	PRICE	PUBLISH / RELEASE DATE	QUANTITY
<input type="checkbox"/>	1.) <a href="#">An American Princess</a> Publisher: Amazoncrossing	Van Der Zijl, Annejet/ Hutchison, Michele	9781503951839	Hardcover	List: \$24.95 Net: \$13.70	05/01/2018	Qty: 1

<input type="checkbox"/>	4.) <a href="#">Texas Eyes</a>				List: \$20.00		

## Transferring a cart for ordering

Locate the cart you want to order in the carts drawer. (Check the Default folder.)

Double-click the cart name to open it.

Click the Cart actions menu at the top right.

From the drop-down menu, choose “transfer”, and click “go”.

Find the name and account of the recipient (Chris Spink, CCLS575NY to submit a cart to order. You will likely need to scroll down to find it. Sometimes it takes time to load.)

Leave the Keep a copy... box unchecked. This will help to prevent duplicate orders.

Click the “transfer” button.

Please note: If you click Share cart, your cart will be visible, but can't be ordered. Only Transferred carts can be submitted for order.

## Reports for MS Excel spreadsheet on-order files

Make sure you are using Google Chrome as your browser.

Click the Carts tab at the top of the screen, then Manage carts. (Note: this will not work from the Carts drawer.)

A list of carts will display. Click the Select action menu at the right of your cart.

Choose Download/export cart.

A pop-up will appear, asking to choose the format of your report. Choose Lawson Excel, and then click Download.

Click Save.

Another pop-up window will appear with the Excel file attached.

## TS3 tips & tricks

### TS360 navigation

1. Be sure to click Add, Save or Update for each change you make to a gridline or cart.
2. You are welcome to use B&T-generated lists and publications to place orders. You can find them under the Home and Browse tabs.
3. In the Carts drawer, choose Ordered and submitted for a list of your ordered carts.
4. Following the “O” link will give you the status of an item you have previously ordered.

### Grids

5. There must be grid codes applied to every title ordered. Orders do not properly load at B&T without them, nor can they be loaded into Koha.

6. The “notes” field in the grid template does not transmit to B&T. It is for your own use only.

**CCLS**

7. To keep track of your orders, I will use this format for PO numbers: <delivery code>-<date> (OLE-120705).
8. Please keep CBA orders on separate lists, since their orders are placed on different B&T accounts.
9. Audio books can be ordered from B&T. Center Point and Thorndike large print are better ordered directly from those vendors.
10. Call Chris (716-664-6675 x 248) with questions, problems, etc.

Your favorite suggestions and tips are welcome, too! Contact Chris.
